Gopher State Advanced Umpire Clinics are new for 2010! These clinics are designed for the seasoned and veteran umpire. These clinics will be set up in a classroom format so that we can diagram, discuss and breakdown different aspects of the game for umpires. Participation will be a requirement by all umpires in attendance to ensure that everyone receives a great education. The Advanced clinics will give the opportunity for umpires to enhance their skills and/or become educated in the finer points of umpiring.

Instruction to each student will include philosophy, mental approach and attitude towards baseball, including appearance and equipment. Classroom training for the 1 and 2-man umpiring system, which includes proper positioning and duties of the plate and base umpire. Every umpire will have the opportunity to participate in classroom discussions. This clinic will also cover handling game situations, balks, ejections, etc. We will have you ready for opening day 2010! Don't miss out on this excellent training opportunity!

Every umpire who attends a clinic will receive a **camp t-shirt** and an additional **\$6 per game for the 2010 Gopher State League games only**. With MSHSL registration, another \$1 will be added to the game total. For all MYAS run tournament and Fall league games there will be a \$4 game bonus. Game bonus is based on the game base pay.
