

NORTH STAR LEAGUE SCORE REPORTING INFORMATION

North Star Coaches will report their game scores online through the Coaches Control Center at www.myas.org.

1. All coaches currently listed in the North Star Baseball League will already have an account in our database. If you have used our system in previous years you will be able to use the same login information.
2. DO NOT CREATE A NEW ACCOUNT, IT WILL NOT BE ATTACHED TO THE NORTH STAR LEAGUE SCHEDULE! A Username and Password will be e-mailed to you that will allow you to log in and access the online system.
3. Scores reported online will be updated immediately on your schedule and standings so make sure you are reporting the correct score. Always leave the field in agreement with your opponents on the final score.
