- The school who raises the 2nd largest amount of money will win **\$300** for their school.
- The school who raises the 3rd largest amount of money will win **\$200** for their school.

Take these 4 SMALL steps towards 1 BIG cure!

1. Form a team of your school friends, your teachers, principal, friends, & family.
2. Get your team registered on the MDA online fundraising website:
joimda.org/twincitiesstrideandride or call your local MDA office at 952.841.0533.
3. Raise funds! There are a lot of ways you can raise money.
4. Celebrate your team's success by "striding and riding" at the walk on Saturday, November 13th!

There are about 1,700 people in the Twin Cities area living with a neuromuscular disease. Your school can help these individuals in your community!
