MYAS and Velocity Sports Performance-Champlin are pleased to announce a New and unique partnership. Together, we recognize that participating in performance training can enhance the outcomes of an athlete's specific sport. We want to make available to all interested MYAS athlete's the opportunity to train, at a discount, with the performance coaches at Velocity-Champlin.

There are a couple of training options available:

Team Training

Each team is provided one complimentary team training session. This is a great way to get a feel for what velocity training is all about.

Individual Training

All athletes are encouraged to schedule individual training. As an MYAS participant you are provided a 25% discount on basketball specific skills testing as well as 10% off regularly priced individual training packages.

Call Velocity-Champlin directly (763.390.6622) to schedule your team/individual training. Mention that you are a MYAS participant. Bring this sheet with you to training and receive your discount!

This is just another example of how MYAS continues to support the development of athletics in the greater Minneapolis/St Paul area!!
